JONATHAN DALTON

### DEDUCATION

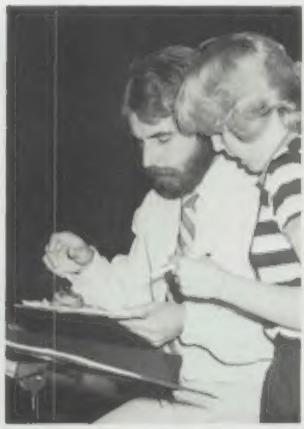

The job of class advisor is never an easy one, but Mr. Dalton readily accepted the challenge when he took command of the class of 1985 in their freshman year. At a time when capable leadership is imperative for the eventual success of a class, Mr. Dalton stepped forward and guided our class through our high school years.

Even though his priorities extend far beyond those of the school, Mr. Dalton has devoted long hours of hard work to our class activities and numerous fund raisers. Thanks to his perserverence and organizational skills, we procured our first taste of victory in our junior year by winning both the float and mural categories in the Homecoming competition. He also devoted much of that same year to the coordination of a successful 1984 Prom.

As graduation nears, the memories of our struggles and accomplishments become ever fonder. We shall always remember Mr. Dalton's ready smile and cheerful demeanor among our finer memories of our high school years. Thus, for Mr. Dalton's dedication to our class, we hereby dedicate this year-book to him.

## WHO'S WHO

DID MOST FOR CLASS: Tracy Fauntiaroy and Maria West.

MOST DEPENDABLE: Sam Casella and Gina Donofrio.

BEST DRESSED Tracy Fauntiarry and Nichelle Watson.

BEST LOOKING Albert Azzari and Chris Dougherty

BEST ALL AROUND: Ron Lerch and Chris Masser

## Ca Melililili

NICHELLE MARIE WATSON August 8, 1967 - May 17, 1985

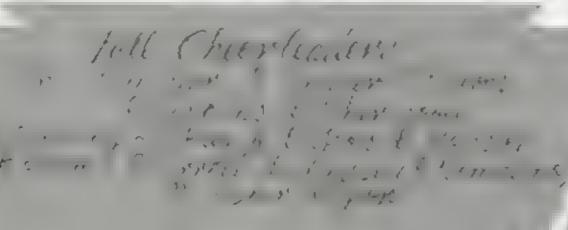

Dearest Shelke,
It broke our hearts for you to leave,
But you did not go alone,
A part of us went with you,
The day God took you home
No farewells were spoken,
No time to say good bye
You were gone before we knew it,
And only God knows why
Now to your grave we travel,
The flowers are placed with care
Everyone knows and feels the heartache,
As we turn and leave you there
May God give you all much needed peace

Sincerely with Love,

Kelly Ann Billingsley

#### Boys Basketball Nets Winning Season

Despite predictions of a trying season, Coach aill Smith led his Boys Basketball team past an early season slump and through a second-half surge that catapulted the team to its first winning season in over ten years. The season was one of accomplishment not only from a team standpoint, but from an individual's as well, for Derwir Fauntleroy reached a rare milestone in the career of high school basketbal players — the sconng of 1,000 points in a career

Derwin's high scoring mark is not merely an indication of statistical success, though it is more indicative of the hard work, determination and six required for success in high schoolathietics. The 1,000 point mark took four years of excellent play to reach, and Derwin deserves any accorades

that can possibly be bestowed on him

The perseverance of an individual such as Derwin can ease the disappointment in a season, such as not making the playoffs. However, the downs de of this scenario is that hard working teammates such as Ray M. Ier and Albert Azzari are often over shadowed Without the efforts of these and other players, Derwin would not have been able to achieve such lofty scoring heights and be named to all star teams like the All Gloucester County Team and the All Tri County Classic Division team

Derwin Fauntieroy is certainly not the only player on the 1984-85 Dragon Basketball team, Coach Smith has had a host of players under his command and in our hearts, they share Derwin's accomplishments with him.

### Grapplers Wrestle For Improvement

Inexperience was the theme for the 1985 Kingsway Wrestling team. The Dragons were led by first year coach Robert Urion, and he, in turn, found himself in charge of a very young, vastly untested squad. The result was a season comprised of 4 wins and 13 losses.

This season would most obviously be considered unsuccessful. However, the team aspects of wrestling came second to those of the individual. Most of the grapplers improved over the course of the season, considering the age and relative inexperience of the team, it was an improvement that the wrestlers were most striving for during their winter season. Here, the Dragons found secrees

On such a young team, the effects and leadership of the seniors were all the more magnified. Eliot Herman, George Stumm, Tim Frank, and Lou Gattuso provided this function. Coach Urion also found both leadership and excellence in Co-capitalis. Chris Everwine and Ron Frank. Chris advanced to the State Regionals and received Al-Tri-County Classic Division honors. Ron Frank also garnered the Alf Classic Division honors for his efforts during the regular season.

The fact that the Dragons finished their season with three consecutive wins foreshadows the brightness of the grappiers future. With this thought in mind, we hope that they attain all their expectations.

# Girls Take Shot At Group I Championship

Through hard work and determination, the Kingsway Girls Basketball team finally got an all important taste of victory with its successful 1984-85 season. Winning has finally become a regulantly after years of strugging. The cause of this is not as much overwheiring talent as pure husbe. This is exemplified by Coach Schneck's new, personal statistical catagory. Hoor burns.

tunior Robin Brown led the team in this catagory, and it was not only Mr Schneck who took notice Robin was named to the Ail Classic Division first team, Gloucester County Times first team and Courier Post Alf Group I second team Imposing center Denise tiles also gathered some attention, for she was named to the Ail Classic Division and Ail Group I second team and was an honorable mention to the Ail Gloucester County team Junior Brenda Urban was also given honorable

mention to the above mentioned teams

The squad was composed of mostly underclassmen, but the contributions of Senior forward Chris Beatty and Audrey Schoener should not go by unnoticed Chris and Audrey were patient all season and were always equal to the task at hand when pressed into duty

Coach Schneck's Lady Dragons entered the Group i playoffs as ninth and final seed. The girls started low but finished high by defeating Haddon Heights and top-seed Glassboro to enter the championship game against Wildwood. Although the girls lost to Wildwood. Although the girls lost to Wildwood. 33.44, they certainly made their mark in the area's basicibal gyms. Certainly, next season seems to be one where the Kingsway Girls Basketball team will collect many victories and quite a few Boorburns."

#### Swimmers Enjoy a Stroke of Luck

During the course of their spectacular season, the 84-85 Kingsway Dragon Swim Team faced many larger school in Groups II, III and IV, but the number of students does not win swim meets great swimmers do Many schools in the group III and IV class could not come close to the team's record or its swimmers times. Losing to only one Group III and four Group IV schools the swimmers posted a 10-5 record

Kingsway does not have a pool, so, obviously, the swimmers must rely on an outside facility to train. Despite this imited time and space with which to train, six swimmers qualified for the State Championship meet. This group was comprised of South Jersey "B Division diving champions, Junior Tracy

Cairns, 100 meter breast stroke qualifier, Junior Louise Buchenhorst, South Jersey 18 Division 50 meter free style champion, Senior Gregg Sampson, and his compatnots in the 200 meter medley relay, Junior Ted Velykis, Senior Mike Warner and Junior David Poliack. Other contributing Seniors were Carolyn Bauer and William Owen.

Because of Kingsway's small size, it will always be an "underdog in many sports. Swimming is one of these sports However, superiative efforts by outstanding swimmers is the easiest means of toppling favoites. Kingsway will have successful swim teams not because of the size of the team but because of the size of the heart in kingsway swimmers.
